CORPORATE EXPERIENCES

An experience your team can make meaningful

Self-directed community giving, chemist-led soap-making and live demonstrations.

Three ways to connect. Three distinct experiences.

Choose self-directed giving, hands-on creation or a live educational program.

01 PACKAGE WITH PURPOSE

SELF-DIRECTED GIVING

$7 per bar

Discounted wholesale price

20-bar minimum | Batches of 10

Employees design packaging for finished, cured soaps and arrange delivery to their chosen recipient.

No onsite facilitator or soap-making.

02 THE SOAP DESIGN LAB

FACILITATED WORKSHOP

From $650

Minimum event investment

90 minutes | Up to 20 adults

Each participant makes three full-size melt-and-pour soaps with chemist-led instruction.

Optional donation of participant-made soaps.

03 LIVE SOAP DESIGN DEMO

FACILITATED PRESENTATION

From $495

Custom-quoted event

30-45 minutes | Larger audiences

A chemist demonstrates soap design, with audience choices and questions throughout.

Optional attendee gifts, quoted separately.

Package with Purpose: fulfillment and optional packaging are additional. Facilitated-event travel and enhancements may apply.

Package with Purpose

01 SELF-DIRECTED COMMUNITY GIVING

$7 per bar - discounted wholesale price

20-bar minimum: **$140 in soap**
Additional bars ordered in increments of 10.

SPONSOR THE SOAP

Choose scented or unscented bars, ordered in batches of 10 per selected formula or scent. Basically Soap makes the soap and delivers or ships it after curing.

Special requests are considered where feasible; Basically Soap retains final approval. Fragrances are used within applicable IFRA limits for bar soap.

MAKE EACH PACKAGE UNIQUE

Employees personalize an outer sleeve, box or message card. Bring your own materials or request Basically Soap supplies at an additional quoted cost.

Keep soap identification and ingredient information visible. Ingredient-information stickers for your own packaging are complimentary.

GIVE TO YOUR CHOSEN CAUSE

Before production, the host confirms that its chosen shelter or cause accepts the soap, ingredients and packaging.

The company leads the packaging activity and arranges delivery to the recipient. No onsite instruction is included. Production, curing and arrival timing are confirmed before the activity.

Local delivery: $89 for delivery, administration and miscellaneous costs.
Shipping: handling and shipping calculated after bar count and any extra packaging materials are confirmed.

The Soap Design Lab

02 SIGNATURE FACILITATED WORKSHOP

90 minutes | Up to 20 adults | Three full-size soaps per participant

Make the soap together

Employees create personalized soaps using a premium, pre-made goat milk melt-and-pour base, with guided fragrance, color and design choices.

Chemist-led instruction, materials, tools, molds or cooling trays, setup and production cleanup are included. Guests take soaps home the same day in a secure mold or tray for cooling; no curing period is required.

No participant handling of raw lye.
Optional give-back choices let guests donate one or two of their three soaps.

Workshop investment

Up to 6 participants	**$650 event minimum**
7-11 participants	**$95 per person**
12-20 participants	**$89 per person**

Travel, parking, tolls and customization may be additional. Groups above 20 receive a custom quote.

Live Soap-Design Demonstration

03 FACILITATED EDUCATIONAL PRESENTATION

Starting at $495

30-45 minutes
For larger audiences and program-style events

Watch. Ask. Help shape the design.

A chemist demonstrates melt-and-pour soap design from base preparation through the final pour. Audience choices and questions bring the science and creativity into the room.

The standard format is a presentation; attendees do not each make three soaps. Prepackaged attendee gifts are optional and quoted separately.

Tailored to your event

Final pricing reflects attendance, venue, travel and gifting requirements.

Optional enhancements include approved scent and color direction, branded labels, attendee gifts and extended questions or ingredient education.

Create together.
Give back together.

Support a cause through Package with Purpose, or add a donation option to your Soap Design Lab workshop. Your team can sponsor finished bars or dedicate soaps made during the workshop.

128 hygiene kits delivered

Spring 2026 Clean Community Initiative

Choose how your group gives

Optional additions to The Soap Design Lab workshop.

Shared impact

Keep 2 / Donate 1

Each guest makes three soaps, takes home two and dedicates one to a community partner.

Full contribution

Keep 1 / Donate 2

Each guest makes three soaps, takes home one and dedicates two to a community partner.

Sponsored match

Keep 3 / Sponsor 3

Guests keep all three soaps. The host sponsors cured bars to match the workshop output, with quantities rounded up to the next batch of 10.

Recipient acceptance, packaging and delivery are confirmed during planning. Sponsored bars and coordination are quoted separately.

Tell us about your team

Share your preferred experience, location, group size or sponsored bar quantity, timing and goals. We will prepare a quote that clearly outlines your soap, materials and fulfillment costs.
